

Mid Atlantic Interagency Coordination Center
MEDICAL EMERGENCY EVACUATION PLAN (MEEP)

Prior to beginning project operations, this form must be completed and submitted to the Mid Atlantic Interagency Coordination Center (MACC) to ensure timely, appropriate, and effective response to field medical emergencies. All field medical emergencies will be relayed through MACC. Prior to departure for project operations, contact MACC to ensure receipt and availability of this form.

Phone: 717-980-3230 Email: pamacc@firenet.gov

Project Name	Crew Leader / IC	
Project Repeater/Frequency	Satellite or Cell Phone
